MEMORANDUM FOR THE RECORD

SUBJECT: Contingency Training

1. At an informal meeting, conducted on 24 March 1960, [REDACTED] briefed the Agency support elements with respect to the Task Force Operations - Familiarization Training Program - Class I. There was no agenda or hand-outs. The people present were advised that a program, plan, and necessary directives would be made available to assist the support elements with respect to their responsibilities during the three (3) week exercise.

2. To date, we have only received an undated, unsigned, thermo-fax copy of a training schedule, which is extremely general in nature. This document was reproduced by SPA-DD/S.

3. At 1100 hours today, in telecon with SPA-DD/S, [REDACTED] 5X1A9a I inquired as to whether or not he had received any additional info. He replied in the negative. In response to a question concerning action being taken by other Support elements, he stated that to the best of his opinion, they were doing nothing - awaiting further instructions.

4. I reminded him that time was drawing short and that we were looking to him for direction and guidance. He agreed to contact Al [REDACTED] and keep us posted.
